

## Public Flats Material Pursuant to Rule 3050.50

### **I. PREFACE**

#### **A. Purpose and Content**

USPS-FY20-45 provides the public materials required by Rule 3050.50, adopted in Order No. 5086 (May 8, 2019) at the completion of Docket No. RM2018-1. These materials constitute a variety of information and analysis relating to cost and service issues regarding flat-shaped market dominant products.

#### **B. Predecessor Document**

Last year, this material was presented in USPS-FY19-45. Before FY 2019, similar material was presented in previous ACR proceedings and in Docket No. RM2018-1, often in response to Information Requests.

#### **C. Corresponding Nonpublic Document**

Corresponding nonpublic material is provided in USPS-FY20-NP31, and generally consists of facility-specific information.

#### **D. Input/Output**

The inputs for the materials in USPS-FY20-45 come from data systems throughout the Postal Service.

In terms of outputs, these materials are provided in response to specific requirements established in Docket No. RM2018-1, but are not otherwise used in the FY2020 ACR.

### **II. ORGANIZATION**

USPS-FY20-45 includes one pdf Preface file and one zip file containing a series of folders corresponding to the various subparts of Rule 3050.50.
